On Official Launch of Cambodia’s Diagnostic Trade Integration Strategy (DTIS) 2014-2018

The Royal Government of Cambodia will officially launch Cambodia’s Diagnostic Trade Integration Strategy (DTIS) 2014-2018 on 18 February 2014 at Peace Palace, Phnom Penh, Cambodia. The objective of the DTIS is to identify the constraints that are hampering the integration of Cambodia into the multilateral trading system and the mainstreaming of trade issues into the National Strategic Development Plan IV (NSDP IV) and the Rectangular Strategy III (RS III).

The full DTIS 2014-2018 report, its executive summary and Cambodia’s Trade Sector Wide Approach Road Map Update will be available rights after from the website: www.moc.gov.kh/tradeswap
